TOP TIPS FOR A LEARNING FRIENDLY HOME

We may have different sets of challenges in creating the most learning friendly home environment.

Take heart that it is ok and we can try to do our best and work out a possible way. Try some of these tips!

FIND A SPECIFIC AREA IN THE HOUSE

A rather quiet space your child believes that it a good place

your child can access it easily

safe and is well ventilated

TO UPLIFT - ENCOURAGE GOOD LEARNING HABITS

Let your child know that you think they are doing a good job

try to give four praises before giving one correction

if they started on the school work without being told, tell them how impressive they are

FIND EDUCATIONAL GAMES

employ fun learning activities through everyday games/cards

learning need not feel like a chore

some learning apps like Khan Academy can be helpful

READ TOGETHER BOND TOGETHER

read a story you both like

read something interesting or new from the papers

going to the library together could be a fun bonding activity

TAPPING ON STRENGTHS

find out more about your child's strengths (you can use our questionnaire)

support learning as best you can as a co-partner in their learning

ask for help when you think you need it, such as calling up the teacher for ideas
